

Frequently Asked Questions

1. What is an Epic Golf Holiday?

Unlike typical golf trips where the operator simply secures tee times, accommodations, and transport, each Epic Golf Holiday is meticulously curated based on our personal experiences. We focus on delivering a comprehensive journey with handpicked accommodations, rounds at the finest courses available, guided sightseeing to iconic landmarks, immersive cultural experiences, selected dining at notable venues, and private transportation for all transfers. It's more than just golf—it's a complete adventure!

2. What's not included in the package price?

Exclusions often include international flights, travel insurance, personal expenses, certain meals, and gratuities (for drivers, caddies, and guides). We'll provide a complete list of exclusions for each trip in advance so there are no surprises.

3. Are flights arranged by Epic Golf Holidays?

International flights are generally not included in our packages, allowing you the flexibility to choose your preferred airline and schedule. However, we're happy to provide recommendations and guidance on travel arrangements.

4. Can non-golfers join the trips?

Absolutely! Non-golfers are welcome to join and can enjoy the many sightseeing and cultural experiences on each trip. We have a separate itinerary for non-golfers during our rounds of golf with plenty to see and do beyond the golf courses, so non-golfers will have an equally enjoyable time.

5. What's the group size for each trip?

Our group sizes are thoughtfully planned, typically with a ratio of 1 guide to 19 participants and a maximum of 40 people in total. This setup allows us to provide the highest level of service while maintaining an exclusive, personalized feel throughout the journey.

6. Are all meals included in the package?

Most breakfasts, a few lunches, and specially selected dinners are included. Some meals may be left open for you to explore local dining on your own. Each trip's itinerary will outline which meals are included.

7. Is travel insurance required?

Yes, we recommend that all participants have travel insurance to cover potential issues like medical emergencies, travel delays, and other unforeseen circumstances. We can provide recommendations if you're unsure which insurance to choose.

8. What should I bring on a golf trip?

Essentials include your golf clubs, attire suitable for various golf courses, comfortable clothing for sightseeing, sun protection (hat, sunscreen), and any personal items. We'll also send a checklist before your trip to help you pack according to the weather.

9. Can I rent golf clubs instead of bringing my own?

Yes, rental clubs are available at most destinations. If you'd prefer to rent clubs, please let us know in advance, and we can arrange it for you.

10. How do I book a trip with Epic Golf Holidays?

To reserve a spot, simply contact us through our website, email or WhatsApp. Once you've selected your desired trip, we'll guide you through the booking process, including the deposit and payment schedule.

11. What is the cancellation policy?

Cancellation policies may vary depending on the trip and timing. Typically, we offer refunds on case-by-case basis, depending on how far in advance the cancellation is made.

12. How far in advance should I book?

We recommend booking as early as possible, as our trips often fill up quickly. Early booking also helps secure preferred accommodations and tee times at popular golf courses.
